

Denver Lacrosse Club

Boys Youth Lacrosse

Summer 2009

This will be an "In-House League".

An "In-house league" is a league that is set up to introduce the sport of lacrosse to new players and give intermediate and advanced players the chance to maintain and grow their individual play. The first 1-3 weeks will be devoted to skill development and rules clarification by performing drills with intense instruction. The remaining weeks will concentrate on scrimmage and game situations. Players will be divided into teams on a weekly basis and the concept of "fun" is always reinforced. This is not a competitive league; it is simply the best 6 weeks of instruction at an extremely low cost

All Ability levels welcome.
